

**Applicant:** Pontifical Mission, Jerusalem Field Office  
**Donor:** Dutch Lieutenancy – Caritas Commission  
**Project Title:** Rehabilitation of homes for needy families in Bethlehem  
**Project number:** DB0098f

---

**Family Name: T. L.**

**The Family's Need:** Roof Isolation.

The roof is not isolated and leaking water into the house causing humidity problems specially in the kids' bedroom. The family tries to apply isolation and prevent water from entering but can't afford to apply full waterproofing asphaltic rolls.

**Family Social Story:**

Mid Aged couple living, with three children; all are students. The husband works in olive wood factory, but due to Covid-19 and the current situation he stopped working. His wife works as a teacher, but her income barely covers all the daily house expenses.

The total estimate cost is 3,500 Euros.
